journal entry. There are two kinds of compound/combined journal entries . Simple . A simple compound/combined Journal Entry is a journal entry involving 3 or more Account Heads in which there are either multiple debits or multiple credits and not both.

### **Simple Compound/Combined Journal Entry**

## Download File PDF A Compound Journal Entry

A compound entry is actually a combination of two or more simple journal entries but instead of recording numerous separate journal entries, it is better to merge multiple journal entries of a single accounting event into a single compound entry because it saves time and keeps the related debits and credits in one place in the journal.
