Biology: NASTA Edition 8th Edition - amazon.com

65 percent of all doctors and biological scientists in the United States under the age of 40 began their study of biology with this book. For the Eighth Edition, new coauthors have joined with those from previous editions to infuse this proven text with new ideas while upholding its hallmark values. Their collaboration has produced the authoritative introduction to biology, told with a unified voice and vision.

Biology 8th edition. Close ... What do you guys think the subject test is gonna be like this year? I took the AP Biology test this year, and I have to take the subject test in August. I'm a little bit worried because last year due to the circumstances, , our teacher had to skip over an entire unit, the one relating to population ecology. ...
