The College Board AP Environmental Science Exam is an annual exam in May, and this video can help you review the vital topics in the course throughout the year for a great review.

**AP Environmental Science Exam Review (Part 1 of 6)**

The AP Environmental Science exam is one of the APs most commonly taken as a self-study test. Though many students do enroll in the actual class, this particular exam is also well-suited to self-studying due to its heavy emphasis on vocabulary and highly-specific theory.
