Being Right or Making Money is a tribute to the kind of research that can help the investor make money, even if he's not always right.

Ned Davis, Being Right or Making Money: Book Review

Investment strategist and author, Ned Davis, wrote a great book back in 1991 called, Being Right or Making Money.What Ned Davis says he learned back then was the importance of not fighting trends, that you could be 100% right and not make any money if you bet against a market that ignored your thesis. In essence, Ned Davis learned not to throw one's diligent work out the door but to also learn to be in harmony with the market and not to fight a trend.

Being Right or Making Money | Financial Sense

Being Right Or Making Money. There is are large difference between being right and making money. I have never heard any market wizard saying that I was right 75% of times or something even close to that. I have been studying the biggest wealth creating funds and people for the last 5 years and believe me they are not right more than 50% times.
