Toeing the line. Your local council will have regulations that govern how close to the boundary line you can build and what sort of structures are acceptable when it comes to determining the relationship of the position of a dwelling to the boundary.

Understanding easements and boundary lines | Inside Out

Now in its 7th edition, Boundaries and Easements has firmly established itself as a valuable resource when conducting an action involving a boundary dispute or easement claim. It looks at the practical issues of case preparation and procedural steps peculiar to this kind of litigation and considers the latest case law, enabling you to understand how the law now stands.

Boundaries and Easements | Land & Property

Easements and boundaries are important. Before you buy any property, make sure you find out from your local council if any easements exist on the land or house you purchase. If you have any doubts about where the boundaries lie, hire a surveyor to check and redraw your boundary lines. It's always better to be safe than sorry.
