### 12 Perennial Plants That Butterflies Love

'Summer Skies' butterfly bush is a bold plant for bold gardens, thanks to its bright yellow and green variegated foliage. That gives it serious impact in the garden, landscape, or containers well-beyond its summer bloom time. And it does bloom - nice lavender flowers appear in summer - but even they can't hold a candle to the splashy foliage.

This butterfly summer tank top is so girly. I just love the open weave of this top. I am not sure which one I would prefer. The neutral beige would go with almost any thing but the red actually screams summer. Heading to the local craft store to look over the available colors. I may find another color I like better.
