Cina Mongolia 1 3 000

Although we mostly associate Mongolia with the Gobi Desert and nomadic tribes living in Yurts, there are big cities! Ulaanbaatar, the largest city in Mongolia, has a population of over 1.3 million people (roughly the same as San Diego, California). Because of its location and elevation, Ulaanbaatar experiences extreme swings in temperatures.

China classifies different Mongolian groups like Buryats and Oirats into the same single category as Mongol along with Inner Mongols. A non-Mongolic ethnic group, the Tuvans are also classified as Mongols by China. The official language used for all of these Mongols in China is a literary standard based on the Chahar dialect of Mongol.
