Covers the same material as Getting Started with Django (same author) but with fewer annoying errors/typos and translation mistakes. In hindsight, after

Download Ebook Django Essentials Samuel Dauzon

learning a bit of Django, two main flaws stands out: (i) poor exposition where inline comments in the code contain major components of the exposition and are difficult to read, and (ii) couple of bad practices used in the book.

recently checked out the book Django Essentials by Samuel Dauzon. Django Essentials is meant for a programmer that doesn't have any experience with the Django Framework. What I think this book excels at is introducing Django's many uses and features in a format that is easily understandable.
