Reviewed in the United States on February 14, 2013. During William Hartnell's tenure as the First Doctor, the most notable occurrence was the rotating historical serials to balance out the more science-engrossed space adventures on distant planets, with extraordinary alien species. For me, the early historical serials are the best thing about early 'Who' (apart from the Daleks, that is!), but unfortunately 'The Crusade' is one of those stories that is incomplete following the 1970s' purge of ...
