In every other category, there were notable declines in 2018, continuing the deterioration of democracy in evidence now for several years.

Democracy Index 2018: Me too? Political participation ...

International organizations and academic experts define democracy as regular, multiparty electoral competition. But democracy should not only be about elites competing at the ballot box. For it to have meaning, it's something we must engage in every day. When I say "protest democracy," I'm challenging how we think about democratic action.
