I am impressed by the learning objectives as well as the sample review exercises and sample exams at the end of each chapter. It is a thoughtful book that includes many key features that I find useful: key take-aways, discussion board topics, note section, video solutions, and incorrect v.s. correct way of solving a problem side by side.

- Someone else is at fault: parents, elementary school teachers, and perhaps even their colleagues. Elementary school teachers are especially singled out as culprits for the reading woes of adolescent learners. These frustrations can impact student learning as Cris Tovani notes in her book, *I Read It, But I Don't Get It*(2000). In this book ...
