"Fireflies in the Dark" by Lasantha Rodrigo is a memoir of honesty and nostalgia that will send you to forgotten places in your past, whether you want to remember them or not. The book cover alone reminded me of summers in New York City catching fireflies. I never see fireflies at night anymore.

Fireflies in the Dark: A Memoir by Lasantha Rodrigo

We had no one to guide us through the darkness, to point out the pitfalls or to advise us that what we were experiencing was normal. To that end Fireflies in the Dark was written to be an inspiring and illuminating guidebook to fellow travellers as they venture forth into the wild.
