### **GO MATH - Mrs. Walter's Wonderful World of Learning**

Each day, there will be two activities assigned to you in the Go Math platform. The activities may include an interactive lesson, an animated math module, a game or an instructional video. All of the activities will remain open for the entire week, but they should be completed in order and should be spread out (not all completed on one day).

Math Math in 3rd grade builds on basic  
computation and requires students to  
use many strategies to solve higher level  
thinking questions. We have newly  
adopted a Math series called Go Math

which has incredible technology support and really engages students in their study of math.

### **MATH - FIFTH GRADE 2019-2020**

The most important thing you can do to help your child in math this year is to focus on mastering all multiplication facts as quickly as possible. We will be learning 2-digit multiplication and long division soon. Have your student get onto MobyMax.com Fact Master or xtramath.org to work on their fluency. Our new Math Series this year is GO MATH!.
