Very simple dictation page with six sounds, five words and two sentences that can be used with any phonics program. The first page has space for name and date so students can write in pencil for single use. The second page has no space for name and date, can be printed and put in a dry erase sleeve

Phonics Dictation Worksheets & Teaching Resources | TpT

The simplest and most common variation on a running dictation is not using a continuous text. Instead, you can use standalone sentences, idioms, collocations, single words, or even single sounds. Most of those variations work better if the person who is listening has a worksheet which isn't blank, something that also helps with timing and grading.
