Phil Town's Rule #1 Investing - YouTube

Rule #1 will show you how I turned \$1,000 into \$1.45 million in only five years and Payback Time pulls back the curtain on mutual fund managers who are responsible for growing your hard earned savings and do very little other than eat up much of it through commissions and fees.

About Phil Town - Rule #1 Founder | Rule One Investing

Phil Town's Rule #1, Part #1 As cynical as I am, there are still forms of human gullibility that surprise me. For example, I am forced to conclude that those Nigerian emails promising tens of millions of dollars must somehow snare a few people, otherwise they wouldn't get sent. And don't get me started on Bernie Madoff.

Phil Town Rule 1 Ext - christy.majesticland.me

Rule #1 investors look at the company not per share. They look at it as a whole company the way an owner does. This is why the company evaluation process is a critical step in investing—if not the most important. The company evaluation process includes confirming that the business has a margin of safety.

Rule 1 Summary: The Simple Strategy by Phil Town is a perfect guidebook for people who struggle to find time in their busy schedule.

Rule 1 PDF Summary: The Simple Strategy for Successful ...

Rule #1, as famed investor Warren Buffett will tell you, is don't lose money. Through an intriguing process that I'll clarify in this book, not losing money results in making more money than you ever imagined. What it comes down to is buying shares of companies only when the numbers, and the intangibles, are on your side.
