PlayStation 3 Repair - iFixit: The Free Repair Manual

I have been researching this same issue with the PS3 HDMI ports. Beings mine works only when I lift up slightly on the HDMI cable and then put a Coke bottle cap underneath it. Apparently it has been a large problem with any PS3's, and the only real repair for it, is to provide documentation of purchase date and the console to Sony.

Replace HDMI Port PS3 Slim - iFixit: The Free Repair Manual

Start your ps3 by hitting the power button but keep it held down it will beep turn off and restart you can let go as soon as its restarting this is a manual hard reset of all the settings reverting them to default it will not mess up any of your content profiles or anything like that the screen will pop up and tell you it detects hdmi if thats what ur using it will give a 30 second preview select yes to keep the settings problem fixed
