It's nearly what you habit currently. This Shakespeares words a glossary and language companion, as one of the most practicing sellers here will no question be accompanied by the best options to review.

It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

**Shakespeares Words A Glossary And Glossary** If you are looking for a word and it doesn't appear in the Glossary, this will be because it has the same sense in Modern English, and can be found in any general dictionary.
