Two Lines Submission Manager

And if you are writing such a book, you must have a platform when you submit your work or else most/all publishers will not even consider your idea. This is because with nonfiction, most of the marketing falls upon your shoulders, and you will be expected to build a platform before you need it—before the book comes out. A platform consists of ...

What To Know Before You Submit: 28 Great Tips from ...

A book proposal argues why your book (idea) is a salable, marketable product. It acts as a business case or business plan for your book that persuades a publisher to make an investment. Instead of writing the entire book, then trying to interest an editor or agent (which is how it works with novels), you write the proposal first.
