Like. "A bee yard had to be close to water and roads, be sheltered from the wind, and get early morning sun—but none of that mattered if there wasn't a sufficient supply and variety of nectar-producing plants." — Hannah Nordhaus, The Beekeeper's Lament: How One Man and Half a Billion Honey Bees Help Feed America.

The Beekeeper's Lament Quotes by Hannah Nordhaus

The Beekeeper's Lament tells his story and that of his bees, making for a complex, moving, and unforgettable portrait of man in the new natural world. John Miller isn't fond of death. He takes it personally. A few years ago he even bought a Corvette, as if that could stave it off.

The Beekeeper's Lament by Hannah Nordhaus: Summary and reviews

ONE is the global container shipping company headquartered in Singapore and offering an extensive liner network service covering over 100 countries.

Home | ONE

The Beekeeper's Lament does a wonderful job at depicting the symbiosis between agriculture and bees, and it avoids contributing to the (occasionally) vapid media coverage that surrounds honeybees and CCD. It provides a story that is pragmatic, objective, and informative and is for readers who want to better educate themselves about ecological change and current agricultural practices without slogging through pages of scientific reports.

Review of The Beekeeper's Lament by Hannah Nordhaus

Hannah Nordhaus talked about her book, The Beekeeper's Lament: How One Man and Half a Billion Honey Bees Help Feed America, in which she talked about the bee population in America and its ...
