View Of History
There is an unseen
hand to me. That leads
through ways I can not
see. While going
through this world of
woe. This hand still
leads me as I go. I'm
trusting to the unseen
hand. That guides me
through this weary
land. And some sweet
day I'll reach that
strand. Still guided by
the unseen hand.

The Unseen Hand as
the cover of the book
states is "An
Introduction of the

History". The major
problem with the book
however is that it can
quickly turn a person
off of the conspiratorial
view of history.
Epperson draws
conclusions that aren't
warranted.
