The first step in the divorce process is probably the most difficult step you will take during your divorce: making the decision to divorce at all. There are wrong ways and right ways to go about taking that first step. Below are things to avoid when trying to decide if divorce is right for you.

5 Factors in Your Decision Whether or Not to Divorce

I will say this, when it is time for you to divorce, you won't be asking anyone if it is the right thing to do or not. You will know in your heart that it is time to take your life in a new direction. For those of you still on the fence and pondering the divorce question I can give you insights into marital problems that lead to divorce.

Should I Get a Divorce? 6 Signs It's Time

Not only is there a need for counseling, but there is often a need to go for counseling not only at the end of your first relationship, but as the new relationship, the second one or even the third one starts to get serious. Not only are you carrying baggage, but your new flame is also probably carrying baggage.

Happy Ever After the Second Time Around - Divorce Magazine

What I found out may surprise you. While there isn't much research on the topic of friendship after divorce, most studies report that after a breakup, friends often fall by the wayside. Fortunately, I found a highly informative chapter on post-divorce friendship in Dr. Bruce Fisher's book, Rebuilding When your Relationship Ends.
